Ellie Lofaro is a respected Bible teacher and inspirational speaker. Ellie's message is a wonderful blend of plainspoken truth, common sense practicality, and disarming humor. A serious student of Scripture and a keen observer of the culture, Ellie has developed a unique teaching style that touches the heart, stimulates the mind, and nourishes the soul.

Completely convinced of God's love and His mandate to "go and tell," Ellie has committed her life to sharing the Great News. She speaks internationally, has authored five books and taught a weekly nondenominational Bible Study for 15 years. Ellie and her husband, Frank (CEO of Prison Fellowship International), are native New Yorkers. They reside near the nation's capital where they raised three very likable children who turned into terrific adults. Ellie enjoys travel, any large mass of water, photography, good food and being around a dinner table for a very long time. She does not enjoy cooking, cleaning or dieting!
